Guest Speaker: Bill Potter The Movie Called Success

Bill has gone through life saying, "Pick Me!" This attitude has taken him to The Whitehouse and Buckingham Palace amongst other places.

He is still waiting on a call from the Kremlin to round it off but may have cooked his goose there if it was a KGB officer who was crushed in the stampede out the door at the next floor when, whilst standing at the back of a packed lift Bill said, "I suppose you wonder why I called this meeting"

At 67 he is the envy of us all in that he hasn't been ill for 50 years. A couple of cracked ribs and other injuries from playing rugby, but no illness. This could possibly be due to vast amounts of fresh air. This weekend he will be refereeing his 1071st rugby game. On top of the 1800 touch games he has also refereed this does come to quite a lot of fresh air – and mud come to think of it. Perhaps mud baths is the answer to good health?

Lately, since he reached superannuant status, his company has called on him to make a number of speeches on Waiheke Island. He thinks this may be a cost saving measure by the company as, unlike other speakers, he gets free fares on the ferries.

Good advice included:

- Always carry a notebook and pen to write down good ideas as they happen
- Embrace life and get the most out of it.

Bill's advice for the future of Waitakere City Rotary is make our meetings so exciting that we have a waiting list and people banging on the doors wanting to get in. We're not totally sure how many people our venue will hold. Lets find out!

Time to go? Caterers trying to throw us out? Please, we want to stay longer.

Rotary Facts that Bill reminded us of:

- Paul Harris launched Rotary in Chicago in 1905
- The Rotary motto is "Service Above Self"
- Women were admitted to membership in 1989 (although as an aside I'm not sure in the States have caught up with this one yet. This week I contacted Rotary to update the website showing me as Secretary so that I can update Club details. For some obscure reason they promptly entered Alan as President and left the Secretary position blank. Go figure.)

Now for a Challenge:

Email Bill at duitdammit@xtra.co.nz with a new Waitakere Rotary motto. The best effort wins a copy of New Zealand's first banned business book MIND YOUR OWN DAMN BUSINESS (1999)

Other Offers:

1. If you organize a formal Member Dynamics Programme (MDP), the winner will attend the powerful two-day biz/personal course, **The Terrific Seminar** (valued @ \$495) for, wait... FREE!
2. If you choose to become a **Friend Investor** in The WIN Group Project at NZD3,000 for 1 year @15%:
 - a. You receive your money back,
 - b. 20 complimentary Life Memberships to Club IAMTERRIFIC and
 - c. A place in the WIN Group Project "Hall of Heroes".Call Bill on (021)7-333-57 or on 27-37-057

Visitors:

Tonight we were delighted to have the following visitors at our meeting:

- Bill Potter, our speaker for the evening
- Te Rangi Allen, Principal of Nga Kakano Christian Reo Rua Kura. Bob presented dictionaries to the school last week and asked Te Rangi to join us to find out what Rotary is about
- Rex Appleton, a friend of Craiger's. Rex is a stainless steel contractor and knows Craiger well... please come back Rex, our Sergeant needs ammo for fines...
- Graham Foden, a Freight Forwarder and recent resident of Swanson. He is in the process of employing Amanda, our friendly ex-Peace Corp worker from Vanuatu who introduced him to us. He will no doubt soon learn all of Amanda's 52 recipes for cooking breadfruit and a lot about Rotary.
- Martin Anscombe, friend of Alan and Heather since student days, a new resident of Swanson and currently working as a relieving teacher in West Auckland schools (we discovered recently that whilst working as Principal in a small country school he was also a Rotarian for a couple of years. And there was an earlier spell with Rotaract. Hmm, the things one learns about one's friends)
- ADG Toni Alexander and her husband Don – who presented us with a banner from Georges
- Winky, Peter's wife, was going to come – but decided to keep her flu germs to herself instead (Winky, have you tried Fresh Air and, er, Mud baths?).

We really hoped you enjoyed yourselves and will return for a repeat visit.

**Dictionaries:
Previous Presentations:**

Bob made a presentation to Nga Kakano Christian Reo Rua Kura - and promptly invited the Principal, Te Rangi Allen, to join us for our meeting this week

Kerry made a presentation to Henderson Primary and presented the dictionaries as "A cordless eco friendly alternative to Google"

Next Presentations:

Pomaria Road School Students at 2.00pm, Friday 18th September.
Location: School Hall, Pomaria Road, Henderson – 65 x Year 4 students
Presenter: Patrick (with Heather and Alan hiding in the background)

Henderson North Students at 9:30am, Monday 21st September.
Location: School Hall, Norval Road. Henderson – 70 x Year 4 students
Presenter: Derek Gee

Other Rotarians there to support these presentations are welcome!

We would also like to thank:

Ross Ward - Donated 110 Dictionaries to Sunderland School,
Domenic Wood - Donated Dictionaries to Kelston Boys, and
Peter Smith, Donated Dictionaries via Winky to Schools on the East Coast

Raffle Winner: Ross – who now has a nice fire extinguisher with which to decorate his bathtub.

Jack was the official Tosser for the night and threw the following coins:

Tails, Heads, Tails, Heads, Tails

(Please bear with me as I try to work out the pattern and statistical probabilities on this. My maths teacher daughter tells me that it isn't 50/50 but that Tails have the slight edge at 56%. It appears that the Heads side is slightly heavier.)

Parting Thought: Heather:

Mark Twain "Always acknowledge a fault. This will throw those in authority off their guard and give you an opportunity to commit more."

Sunshine Fund:	
• This week's Raffles:	\$30.80
• This week's Sergeant's Fines:	\$53.00

Western Leader:

The Bulletin Editor lives over the border in Rodney so gets the Rodney Times. If articles appear about us in the Western Leader – can someone out there PLEASE, PLEASE, PLEASE scan and email them to me? Or bring them on a Wednesday night?....Please?

Next week's speaker: Jim Hainey

When you look at the feedback sheets from any of Jim Hainey's presentations the one comment that comes through is "humour". One client said "I'm not sure whether you're a stand up comedian or a business speaker but your presentation was fantastic"

These comments are understandable! Jim Hainey does comedy to heighten audience attention, participation and retention and his subject "self motivation". So you end up with a comedy routine based on business and self motivation.

Jim loves humour and motivation. He has studied both for all of his adult life. He was a top class competitive Stillwater swimmer and surf swimmer. Went on to coach swimmers and learnt early that in order to teach anybody anything they need to be in the right frame of mind - and awake! This is why he learnt to use humour.

He also pioneered "Psycho Cybernetics" in New Zealand. The study of the self image and how this massively affects performance.

He even won an "open mike" competition in a Toronto comedy club in 1980 using business as the routine. "Humour in Business" he dubbed it. In North America he addressed many organizations and earned a reputation as the motivator from down under on local TV.

This approach has taken him around the world in business. Not bad for someone from the southern suburbs of Sydney, Australia who left school – really early! And we don't mean in the morning!

From professional swimming coach to top salesman, to top manager then running Drake Personnel in New Zealand, North America and Australia with line responsibilities in Europe. His approach never varied all that much.

A Sydney Morning Herald reporter asked him one "Why have you done so well?" This was for an article in 1984 on why Australian managers were running international companies. He paused for a moment and answered "Well I simply find people who want to do the job and let them get on with it."

At Drake he made sure that his managers hired people who could do the job and had

"willingness" and then he taught the supervisors and managers to get out of their way. This approach enabled him to establish Drake as the number one personnel services company in New Zealand and turned the company's fortunes around in North America.

Jim thinks that too many companies hire the wrong people for the job and then try to change them. He laughs at this approach!

Today Jim doesn't have a lot of time for speaking, what with running a speaking bureau, but if you're lucky enough to have him at your conference you're in for a real treat. He really knows about motivation! Not the hype you sometimes get but the way it really works and he's not afraid to tell it as it is.

He did this for 2 years as the resident motivator on TVNZ and his articles are still requested for business publications.

He likes to work with a group for about 2 hours but if time is short then 60 – 90 minutes will get the right results. It takes him 15 minutes to say hello. He may not have all the all answers but he sure knows what questions to ask!

He has appeared, on stage, with some of the top speakers in the world, including;

- Denis Waitley
- Zig Zigler
- Alan Pease
- Tom Hopkins Jnr
- Brian Tracey
- W Mitchell
- Michael E Gerber

Jim has held the following positions in addition to his business appointments;

- Director The Auckland Regional Chamber of Commerce
- Director The Toronto Business Association
- President The Federation of Personnel Services New Zealand
- Paul Harris Fellow from Rotary International
- New Zealand representative International Labour Organisation - Geneva
- Affiliate The Canadian Psychological Association
- Charter Vice President The National Speakers Association of New Zealand.

Firefighters endure stair climb in honour of dead colleagues

THE HARD WAY: Fully-loaded crews climbed their way up the 28 flights of stairs to the top of the BNZ tower in downtown Auckland where they were met with smiles and bottles of water.

Around 60 firefighters battled their way up 28 flights of stairs in central Auckland in full uniform today as a tribute to those that have died on the job.

Organiser Tony "Scottie" Scott, a fireman at Auckland Airport [Ed: And **Waitakere City Rotarian**], said the event was held to mark the deaths of the 50 firefighters who had died in New Zealand since 1872 and to mark the anniversary of the World Trade Center bombings in 2001.

"The 9/11 date is a poignant date in the fire fighter calendar, with [343] New York City Fire Department fire fighters lost as they attempted to rescue people and fight fires in the US September 11 attacks in 2001," he said.

Following a roll call of those who have died on the job and a prayer by Fire Service Chaplain Dean Ross Bay in their honour, the fully-loaded but willing crews climbed their

way up the 28 flights of stairs to the top of the BNZ tower in downtown Auckland where they were met with smiles and bottles of water.

Mr Scott said stair climbs in around 30kg of gear was as close to the physical test of fighting a fire as you could get without there being a blaze.

This was the first time the event had been held and included firefighters from as far away as Wellington, Tokomaru and Kaeo.

Other Rotary News:

Rotary deliver all sorts of info and Newsletters, usually by email. Bob seems to be on all the email lists and forwards them to me for inclusion in the Bulletin.

Even though they all contain very interesting info, rather than create 20 page weekly newsletters I'm adding links to them on our web site:

Rotary Training Talk:

The latest one is the **Rotary Training Talk**. This months topics include:

- How to find a new secretary (when the existing one goes insane and quits)
- Resources for trainers
- October is Vocational Service month – ideas for activities
- And other training tips

Objet : RNZWCS Limited - KOHA 4 for 1 Funding

Fellows,

The announcement by The Rotary Foundation advising that there will be no Matching Grants for the rest of this Rotary year will affect club activity in World Community Service. It may be timely to remind clubs again of the NZAID KOHA scheme which allows for 4 for 1 funding. The website has a comprehensive section which details the benefits. To access the information go to www.rnzwcs.rotary.org.nz and click on the various items under:

**From our Past District Governor, Neil Reid:
Help Required from our Keen Fishermen:**

Hi fellow Rotarian,

One of our club's priorities in this Rotary year includes help in low decile schools in our area, the south central isthmus area of Auckland with a Literacy project.....

This project is too big for us to do on our own and we are seeking **help** and support from Rotary clubs in the greater Auckland area.

We have run for a number of years a fishing competition donating in the region of \$10 to 20k each year to local and national charities. Last year we did not run the competition, because as a club we had committed our resources to the district, helping out me as governor, fronting all the things that need to be done for the district and projects that benefited the wider district. However, we did make significant contributions to the Laura Fergusson Trust and carried off a \$30k water project in Vanuatu.

This year we have some ground to make up as our coffers are bare, would you put it to your club to help us raise \$40,000?

We are prepared to share the proceeds of sales from the two areas in which we need help:

1. Selling entry tickets for this contest
2. We are looking for folks with boats to take a party/group of people out on the day to act as hosts. This way we can sell a day package..... More detail later.

Our Fishing competition has been running since 1992 and has raised 100's of thousand dollars for all sorts of Charities.

It is a well organised contest with over \$50,000 in prizes. The top prize is worth \$20,000 and is awarded to not the biggest fish but the average weight fish..... Just a small twist that gives the average punter a random chance.

Our competition is called the **TWIN COASTER** that allows fishing on both harbours of Auckland. It is a joint venture between the Manukau Cruising Club and our Rotary club and is to be held on the **13th March 2010**

In the first instance we are looking for expressions of interest from Rotary clubs in the greater Auckland area to help the Rotary club of Onehunga-One Tree Hill to pull off this fund raising for Literacy programs in schools.

Please call or e-mail me with expressions of interest.

Help Required:

We have received a letter from the Waitakere City Ladies' Probus Club asking for help with moving tables and chairs for their meetings. The 95 elderly ladies are finding it hard setting up the hall these days.

The reason for asking us is that Waitakere City have been the Probus Club's sponsor since 1993.

They meet on a Monday at 9am at the St Johns Hall in Edmonton Road.

Can anyone help? Know of anyone who can?

What Alan and Heather were up to in the last week...
In between sorting out Rotary accounts and meals that is:

Setting forth in a porta-bote
(It folds up to look like a surfboard and
unfolds into a 10' dingy)

Travelling up the lake into a side river

... Into a Lost World to catch fish

Alan's fish (returned to river)

Heather's fish (cooked and eaten)
