The rain held off and the crowds enjoyed the display.

This from **Tony Hornabrook in New Caledonia**. If you are interested, let me know and I will make the introductions

One of our members has asked me if there could be possibility of his two young boys staying with a Rotarian family or 2 families from 07 January, 2010 thru 07 or 09 February, 2010. Guy & Geraldine Bernard have come to NC from France, he works in the engineering branch of the local administration. He is a active member in our club. Their boys are:

Max (13 years next January) - he loves rollerskating and music. All sports and plays the guitar. I'm sure he would fit in very well in a NZ Rotary family.

Alex (10 years) - same as his brother for Skating and music. Plays the drums. Would also fit in very well.

Guy & Geraldine would be delighted if there would be the possibility of a swap with the NZ youngster(s) coming to stay with them during a later school holiday period in 2010. Guy & Geraldine will be in NZ over Xmas and NY, scheduled to return to Noumea on 07 January. The idea is that the boys would join their host family(families) on that day and would need to be taken to Auckland International for the return flight to NC on AirCaledonie International on 07 or 09 February, depending on seat availability.

Starting at our first meeting in 2010, 13 January, **Birkenhead** will meet at Fernz Lodge, each Wednesday, Dinner Meeting 6.00 for 6.30pm. Bar will be open from 5.30pm for early arrivals. Fernz has ample parking, and reasonably priced Hotel rooms and self contained Chalets for visiting Rotarians www.sfern.co.nz/contact-us.html
