THIS WEEK: JOINT MEETING WITH NEW LYNN

Traditionally our first meeting of the year is a joint one with another local Club.

This year was no exception and we joined New Lynn for the evening.

An added bonus was having the Pupuke Rotaract Club as our guest speakers – and a few stray members from Henderson along as well.

There are currently plans afoot to set up a new Rotaract Club in West Auckland with the assistance of Henderson Rotary, Waitakere Rotary and the Pupuke Rotaract Club.

Tonight was an opportunity to find out what Rotaract is and what it does.

Rotaractors are generally aged between 18 and 30 and their aims and objectives are very similar to our Rotary ones – helping out in the community whilst having fun along the way.

Gabriel's year is drawing to a close and he will be back in Brazil very, very shortly. As he still has lots to share with us about his year on the IYE program we have offered him the chance of Big Screen fame – he will make his presentation in the movie theatre after dinner and prior to the movie.

MOVIE: REST FOR THE WICKED

This time round Derek has abandoned UK comedies in favour of a New Zealand movie.

SYNOPSIS

Comedy *Rest for the Wicked* showcases an all-star aged A-team of Kiwi actors – among them Ian Mune, John Bach, and *Gloss* boss Ilona Rodgers. Gravel-voiced Tony Barry (the man who uttered the immortal line "goodbye pork pie") stars as Murray, a retired detective going undercover in an upmarket rest-home. Frank hopes to catch his longtime nemesis (Bach). Instead he finds himself in the company of the randy, and the unexpectedly dead. The "sweet, rather knowing little movie" (Linda Burgess, *Dominion Post*) marks the feature debut of ad veteran Simon Pattison.

QUOTES

Rest for the wicked depends on the rapport between Murray (Tony Barry) and Frank (John Bach) and the choice of actors certainly pays off ... It's fantastic to see a movie about people in this age-group, who are usually disdained by television and movie makers, by advertisers, and yet who make up a significant proportion of movie-goers ... a sweet, rather knowing little movie.

– Dominion-Post reviewer Linda Burgess, 26 November 2011

Nobody listens to you when you get old.

– Murray (Tony Barry)

20th December 2012

Dear Rotary

A big thank you to each and every member of Rotary for the very generous donation you made towards the Christmas Party at Western Park Village. Without your support we would not have been able to host such a successful and well received event.

The Hub Steering Group held the Christmas Party at Western Park Village on Wednesday 12th December. At the celebration we were able to feed and give presents to over one hundred of the children and adults who reside at the Park –we did this all through donations and support of our local community. There has been extremely positive feedback from the residents about the night and many were thrilled to receive a gift –for some this will be the only gift they will receive.

So thanks again for your wonderful donation that has brought joy to many in our community.

Walk for Water

Saturday 23 March 2013

Join with us to walk to UNITEC and celebrate Water

Walking for Water is a joint initiative between Rotary and UNITEC to raise awareness and fundraise around World Water Day. Groups will be sponsored by friends and family to walk up to 6 kilometres to UNITEC, while carrying 6 litres of water in a backpack. At UNITEC there will be games, food and displays to celebrate water. Corporate teams will participate in challenges.

Funds raised will be used to provide water tanks to villages in the Pacific.

We Believe that

Everyone has the right to safe drinking water and access to a toilet. It's a basic necessity for good health and a chance of a future. However

- Every 20 seconds, a child dies from a water-related illness.
- 2.5 billion people lack access to improved sanitation; 1.1 billion still practice open defecation.
- Many children have to walk up to 6 km per day to collect water, preventing them from going to school.

Help us

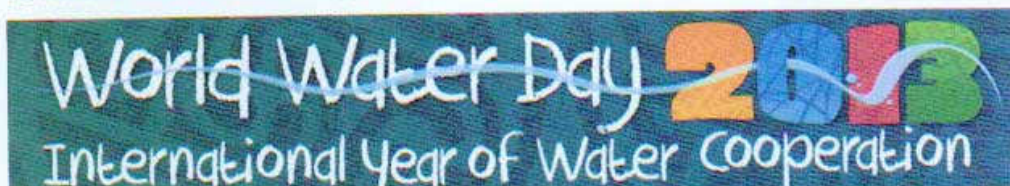

Have fun, raise funds for a worthwhile cause and increase awareness about global water issues.

You can help by

- Walking on the day
- Encouraging schools and community groups to participate
- Entering a team in the Corporate Challenge
- Helping with the organisation
- Assisting on the day

Leza Corban

Leza launched her singing career at age 3 with an impromptu rendition of DoReMi in the Waitomo Caves. The crowd cheered - she was hooked! In the early 90's her enthusiasm was rewarded with a prolific career as a studio session singer, adding her vocals to countless tracks by NZ artists including Moana, Dave Parker, 3 the Hard Way, Kantuta, Greg Johnson and Jan Hellreigel to name a few.

She joined forces with Mark Tierney and Paul Casserly as part of their jingle machine, singing on countless edgy ditties for tv and radio play. Through this Leza became a collaborator in Mark and Paul's project, Strawpeople. Her vocals on the haunting APRA Silver Scroll winning "Sweet Disorder" won her the ear of the industry and a place in the CD collections of thousands of kiwis.

The door opened to a career gigging live with her band UNION and numerous TV spots, three Christmas's in the Park, two Starlight Symphonies and shows with the country's top artists like Debbie Harwood, Eddie Raynor, Tina Cross, Jackie Clarke, Mark Williams and Graham Brazier. A definite highlight was working with the immortal Renee Geyer and the APO at the Aotea centre - what a joy!

More recently, Leza continues to wow crowds with the inimitable music and energy that is UNION, and has been busy adding more strings to her musical bow as a DJ to the stars and singing a little sultry jazz around town.
