

Waitakere News

Time to think about attending the Rotary International Convention in Sydney next May!

August 21st 2013

This week we had two speakers, Holly Vaihu and Beverley Sutherland who came to speak to us about the Harbourview Sculpture Trail. This bi-annual event, which is situated on Te Atatu Peninsula, will be run by the Peninsula Arts Trust in March 2014. It will represent the creative face of our community and will include artworks by fifty one different artists, as well as from local schools. To raise fund for this event, an 'Open Day' at Alan Gibbs Sculpture Park is being held on September 26th, (tickets \$40 each) and also individual and corporate donations are being elicited (see www.boosted.org.nz) There will be more information nearer the event as we hope to be able to support this venture with volunteers during time it is running – March 8th to 30th.

Other news this week – Sheena welcomed a potential new member, Sheilagh Sunderland, who was delighted to win the 50:50 raffle on her first visit!

Vincent also spoke for a few minutes about his 'Orientation Weekend', which was spent at Marsden Point with eight other inbound IYE students. He's been a 'busy boy' over the past couple of weeks, with a trip to the snow with Sheena's family the previous weekend, and then his orientation weekend.

And today, saw Graham and Sheena joining the keen young people from Te Atatu Intermediate, planting their trees in Swanson, as part of the Trees For Survival Programme:

Contd ...
