Waitakere News

March 9th (and 2nd), 2014

Warren Sly The flying Rotarian

What you learn about guest speakers and the audience is amazing. Kumeu President talked to us on the 26th February, and most of just lay back in our chairs until ... "I am building a plane", came out of the mouth of our guest speaker. Suddenly we were all awake and mentally checking our insurance policies. Some of us even wanted to go on the maiden flight!

Everyone's attention was gained.

Club night last week was equally captivating. No one can really understand the time and effort that the Patterson's must put into organising the Trolley Derby. Heather was present delivering her message. Helpers wanted.

Fine weather was predicted. As of today a Typhoon is possible. Precaution then, wet weather day, you available. Oh Kerry is needed

I also tried getting a photo sent to PC from my mobile but it has not made it. I fear that the mobile is not as reliable as the PC for emailing to and from.

Another guest on Wednesday was Luke's sister, who was visiting from Brisbane – she came along to teach our IYE students how to weave flax ... their results were impressive:

Thanks to Terry and Derek for arranging another great Fellowship event. Many of us enjoyed a relaxing Sunday afternoon at Coopers' Creek ... stunning weather, lovely venue, pleasant music and great company. 'Who could wish for anything more'?

Did you know we have a website?? Have you visited it??

Anything you need to know about Waitakere Rotary is on there, including our calendar for the remainder of the year – check it out at www.rotarywaitakere.org.nz

Please advise Alan if you will not be attending on Wednesday (or if you're bringing a guest) apology@details.co.nz
