Waitakere News

August 3rd 2014

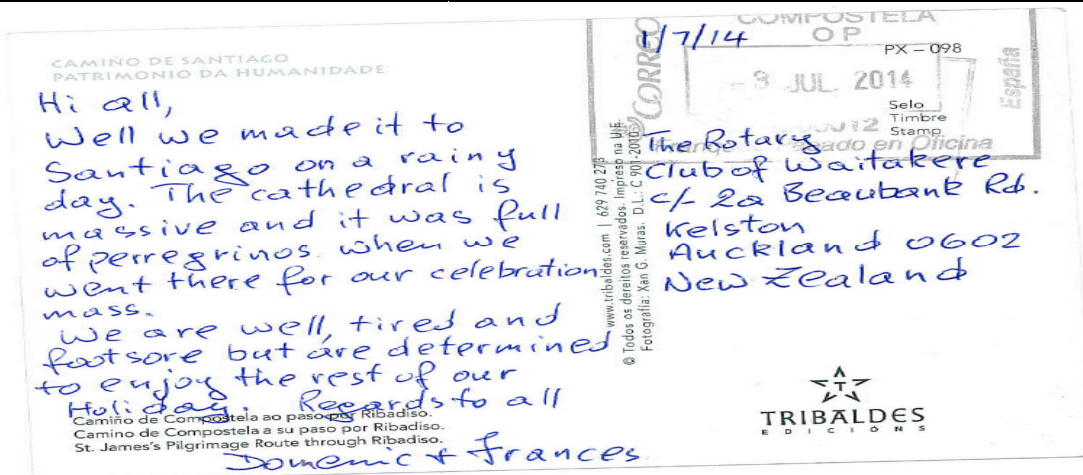

Now You See Me

What a neat movie. Quite certain our very own Policeman, Luke would not have been able to solve that crime!

What was the film about - an FBI agent and an Interpol detective track a team of illusionists who pull off bank heists during their performances and reward their audiences with the money. The movie starred among others Michael Caine and Morgan Freeman.

Thanks to Derek and Terry for selecting a great movie.

Date: Wednesday 6th August		The economy and job growth in New Zealand Central Grandstand
