"I am posting on behalf of the Friends of the Pacific Foundation, Dr Eric Horne, and Geoff Dainty (ROMAC NZ), who respectfully request your members' support for a fundraising dinner on Friday 22nd August. More details on attached flyer.

The goal is to raise funds for a New Zealand medical team, specialising in Paediatric Cardiology, to hold clinics in Fiji.

Come along to Mt Eden Memorial Hall with friends and family, and enjoy a special evening of food and entertainment, and support this excellent cause. Pre-purchase of tickets is essential. Please feel free to share as this event is intended for the wider community."
