Waitakere News

Last Week

What a great talk from Christopher Barber and John Mills who were our two guest speakers from the New York FireDepartment here in NZ for the 9/11 anniversary. Thanks to Scottie for arranging the talk.

Both of the speakers were in NZ for the Auckland Firefighters Memorial event which was on September the 11th. The American Embassy paid for the air fares of the firefighters to come out to NZ and they talked about their work, and the affects the 9/11 disaster has had on firefighters and their careers as fire fighters in the NYFD, and what it means to have a Memorial event in NZ.

RGHF's OUR FOUNDATION NEWSLETTER #151

Dear

"No child anywhere in the world should have to suffer from this completely preventable disease. It only costs US60 cents to protect a child against polio for life. We need your voice to cross the finish line in the fight to end polio."

This issue of RGHF's Our Foundation Newsletter adds to the voice of Rotarians worldwide to continue the fight against polio. October 24 is World Polio Day, and every Rotarian has an opportunity to be a part of this occasion.

Let us all plan to celebrate World Polio Day in whichever way we can - join Rotary's live-streamed global status update, create or join a local event, or simply share our voice via social media.

Our goal is global polio eradication!

Rotary regards,
Jeetendra Sharma
