2010 Soapbox Derby Newsletter #1 November 2009

Dear Schools and Past Sponsors,

Waitakere City Rotary is once again in the planning stage for next year's Soapbox Derby.

To date we have:

- Brought in spare parts for the cars from the States
- Worked with the NZ Soapbox Derby Trust to make improvements to the events
- Listed and collected quotes for everything from crash barriers to hats and brochures
- Updated the brochure for this year and loaded it to our web site
- Assigned roles to the Rotary Soapbox Derby core team
- Re-designed the Waitakere City Rotary web site to provide better information on our activities and events including the Soapbox Derby - www.rotarywaitakere.org.nz

Our current focus is to set up lines of communication with all schools and existing sponsors, promote the Derby and our sponsors through events such as the local Santa Parades and contact both our existing and potential new sponsors about next year's event.

- **Can you please advise us of any changes to contacts and email addresses for the derby**
