## 2010 Soapbox Derby Newsletter #8

13<sup>th</sup> April 2010

Dear School and Sponsors,

Please copy this newsletter and distribute to all of the people involved in the event

### NZ Soapbox Derby Finals:

These were held on Saturday 10<sup>th</sup> April 2010 at 1pm on Kaipatiki Road in North Shore City. Northcote ran their local races in the morning with the Finals following in the afternoon. With the first prize of a trip to America to represent NZ in the World Finals of the All American Soapbox Derby racing was intense.

Of the final eight drivers four were from Waitakere City and a fifth, who now goes to school in the East, is an ex-Taupaki student. And somehow these five were the fastest NZ drivers.  
**Westies Rock!**

As over 200 drivers have raced in the various local races this is a stunningly fantastic result and all our drivers deserve a huge applause.

Race 1 – All drivers raced twice, once in each lane

Race 2 – The fastest 8 drivers again raced twice, once in each lane

The total times of each pair of races determined the fastest times

### Feedback:

The change from heats to the same timed system we use in the local races was totally appreciated by everyone involved and everyone from the teams to the Rotarians was very, very happy with the day.

### Radar's Patch:

Keep an eye out for Radar's Patch – TV1, Sundays at 7pm. The first episode was on Sunday 4<sup>th</sup> April and if you missed it then it is on the TVNZ website:

The Soapbox Derby should feature on Episode 6 – but the ride-on lawnmower undergoes transformation in early ones as well.
