

Northcote Rotary Soapbox Derby Race Track

Kaipatiki Road, Glenfield

- Corner of Glenfield Road and Kaipatiki Road by McDonalds

Car on the starting ramp looking towards Finish banner with hay bales beyond

Looking up the Track. Note the Timers in the gazebo to the right of the Finish banner

Braking after the Finish Line

"Brake Now!" signs

Stopped – with plenty of room to spare

2012 Hay bales at end

The haybales are in two layers with a space between them. The car return vehicle waits behind the bottom one then weaves through to return up the track with the soapbox cars.

Start 2011

The starting ramps were quite close to the Glenfield Road traffic lights

2012 Start area. Moved slightly down the road due to shortage of barriers.
Worked better for pit crew area access and gives more room for car line up

Northcote Pit Crew Area in the Salvation Army car park

2013 Joint Race

Northcote will use their normal car park

(Although the area is reduced due to painting scaffolding going in this week!)

Waitakere will use the new concrete car park next door

(Although there may be some sharing due to the scaffolding....)
