### Last Week

The Saints were here, thanks to Luke. Rotary celebrated a birthday that was missed because the birthday girl was working in our team in Vanuatu. Also in attendance were guests from the McKenzie Trust.

Luke's "Saints" are a group of Year 8 boys who first as Soap Box Derby drivers, and have remained together with our resident Policeman, Luke as their mentor. They are working hard to do well to do well in their final year before High

School (currently they attend Lincoln Primary) as well as providing "service" to our community in a variety of ways. Each boy introduced himself, and spoke about their group's goals and values, and how beneficial it is having a mentor like Luke.

Subject: Make Up

Hi Bob and Heather,

Another make up, this time in Split, Croatia. Jo and I attended only to be advised that it was a men's only club. It starts at 8 am and finishes at 10.30pm, in this case 11pm as they had a lot to cover. Jo was welcomed as a guest... whew :), I was getting the "not happy face" from her.

Anyway, they are a club of 40 men although this meeting there were 22 there as it the first meeting back from the holiday break. I report more on my return, many thanks, Patrick.. and a BIG hi to all the club from Jo and I
