Combined Project with New Lynn Rotary

Date: SATURDAY the 11th of April

Where: The Kowhai Reserve

What: Pump Track

New West Auckland Pump Track

Locals have been given sign-off by the council to reshape some ugly piles of dirt into a super-fun pump track. Situated in [Kowhai Reserve](#) in Titirangi the track is hopefully just the first step, as there are plans for 1km XC loop around the reserve as well.

These kind of projects work best with a lot of support, so if you live in the area do consider getting involved. Whether you drive a digger or a computer for a living, you'll be able to contribute somewhere.

Saturday the 18th of April – for those that can make it:

What: Combined Meeting with New Lynn with a Lincoln Heights project – School Garden Project.
