2014 Soapbox Derby Newsletter #4

24th February 2014

Dear School and Sponsors,

And now for a practice road that you will all enjoy ☺

The new Westgate Development is full of bulldozers - and a new road leads to what will, presumably, be their back gate. Anyone would think it is a purpose built soapbox track! The road has been officially handed over to Council but still has signs saying, "Report to site office", "Beware of the crocodiles", etc

I have spoken to the site office and two of the three residents (3rd one not at home). The reaction from those I spoke to were "OK, but be aware our trucks etc are using it for lower access" and "Sounds like fun and we'll enjoy watching the teams - but make sure we can get in and out if we need to"

Directions:

From Don Buck Road at the Westgate end turn left towards Kumeu.

Once you pass the strawberry farms on the right there is a new set of as yet unused traffic lights. Turn right at these onto the new road marked with an X on the map.

Thank you to the Riverhead teams for suggesting this one.
